LIPSTICK

Queen is just about to arrive in SpaceNK, Grainger St, Newcastle, (0191) 260-3251. The brand is something of a

lipstick legend – created by one Poppy King who started her business six months out of high school in Australia. Fast forward 15 years, a move to New York, and her obsession with lip colour, texture, finish and technology has grown to become the Lipstick Queen brand with Saint and Sinner ranges for £15 each. The 10 colour range has Saint in sheer light textures and all pigment Sinners, rich and opaque, no shimmers or frostings. Choose from pinks, berries, nudes and corals. Also online at www.spacenk.com
